Elite Genetics

ONLINE SALE

As I sit down to write this I'm really not sure how to start. This year we have dealt with extremely dry weather, heatwaves, fires and the ongoing COVID situation, which at times makes it hard to stay positive and stress free. It's been a year of hard decisions for many, including friends and colleagues in the ag industry across the country. My heart goes out to all affected by recent events, many of which are out of our control. Weathering this storm is going to be key to survival in the future. Breeding numbers were already low, but making it through will prove to be very rewarding in years to come. One thing about the agricultural industry is that we are a resilient bunch, not ones to easily give up and never afraid of a challenge; this is what makes this the greatest job in the world!

Our 2021 EG Bull Sale was one for the record books as we introduced RSK SCK 7615 Double Down 30H, who was our high seller at \$39,000.00. RSK SCK 7615 Double Down 30H and RSK 173D Command ET 91H were used in the RSK program this year and we are patiently awaiting the offspring. We continued to invest in new genetics this year acquiring NJW 202C 81E Steward 98G ET as an AI sire and NJW 139C 181F Balance 207H as our new walking herdsire.

Our bred heifer pen is our most amazing yet, consistent, powerful and elite bred. The entirety of our bred heifer offering will be carrying service to these exciting new sires. As well we are offering semen on Balance for the 2022 breeding year.

Four heifer calves will be on offer this year, again sired by some of the industry's most talked about and popular sires, like United 36G and Endure 173D. These heifer calves are backed by proven females like Ablaze and our Lady Church cow families.

The embryo packages are steamy. Matings sired by All In 7615, Command 91H, Endure 173D, Rimrock 27C and Double Down 30H (including full siblings to Double Down).

To all the juniors that are thinking of attending the Junior Nationals next year in Lindsay, ON please remember we provide some amazing junior incentives for you, just check out this year's junior members that have excelled with our program and remember that we are part of the CJHA Heifer Lottery Program. This year's edition is hosted entirely on www.smartactions.co. This online web host allows you to participate in timed auctions on the go, without sacrificing your lifestyle or daily routine. SmartAuctions offers a totally mobile, totally reliable, totally secure bidding platform that allows you to view, select, bid, buy and pay for all from the convenience of your smartphone, tablet, or PC. We are extremely pleased and excited to have our offering on this platform.

Everyone is welcome to join us for a Thanksgiving Open House from Oct 9-12 at the RSK Farms Sale Barn; where you can view the offering, talk cattle and enjoy some food and refreshments!

Hope to see you here!

October 9-12TH

CLOSE OUT AT 7:00PM OCT 12TH

RSK SALE FACILITY: 5 MILES NORTH OF DOUGLAS, MANITOBA

*Directions: From Brandon travel east on HWY #1 to the Douglas corner.
Turn north on Douglas RD (98W) and travel 5 miles to road 66N. Signs will be up.*

Join us for a Thanksgiving Weekend Open House.

We invite you to come and view the sale offering, have a bite to eat, a refreshment and talk cattle, Oct 9-12th.

smartauctions

Our next-generation technology allows cattle producers to participate in timed auctions on the go, without sacrificing their lifestyles or daily routines. SmartAuctions offers a totally mobile, totally reliable, totally secure bidding platform that allows you to view, select, bid, buy, and pay for all from the convenience of your smartphone, tablet, or PC.

Be Mobile. Bid Mobile. Bid Smart.

How to participate: Offering will sell via silent auction hosted by SmartAuctions. Go to www.smartauctions.co and click on the sale link. Go to home page of the sale and click on "register now" or text "RSK" to 762789. When the sale opens October 11th bidding will be available. There will be a horse race style closeout on October 13th at 7pm CT. Each time a bid occurs within the last five minutes the clock will reset to five minutes. The time will not run out until no bids occur for five minutes.

**Questions/Assistance - If you have questions or require assistance, please contact
Jessy Milne Smith @ 613-229-1073. Contact SmartAuctions at 937.733.6000 with any questions or support.**

GETTING STARTED

Create An Account

How It Works

Payment & Delivery

TERMS AND CONDITIONS

PAYMENT:

Payment must be made following the sale by all buyers in attendance of the sale. An invoice will be mailed to all online purchasers following the sale. No animal shall leave the consignors until payment has been received. Any animal remaining at either ranch because of payment still owing after 30 days will be charged a fee of \$5.00/day.

INSURANCE:

Each animal becomes the buyer's risk immediately after the animal is sold. All purchases must be insured with your chosen representative.

(Keystone Livestock Service:
Lois McRae: 204-728-3058)

GUARANTEE:

All animals are sound and right, and all with a responsible breeder guarantee of satisfaction. All animals are guaranteed by the seller to be DLF, IEF, HYF, MSUDF. All animals are sold under the terms and guarantees set forth by the Canadian Hereford Association. Examinations shall have been conducted prior to sale on all serviced females.

CERTIFICATE OF REGISTRATION:

Each animal is registered through the CHA. Each animal's registration will be supplied to the purchaser after payment has been made.

DELIVERY:

The consignors will help each purchaser with arranging delivery on their purchase as soon as possible after the sale.

EXCHANGE RATE:

The US/Canadian Exchange Rate will be announced prior to the sale.

DELIVERY TO USA:

We are happy to assist with the paperwork and getting your purchases across the border. All US purchases will have a fee of \$350.00 added to the purchase price to cover the export costs.

FLUSH & SEMEN RIGHTS:

The consignors reserve the right to flush any female or draw semen from any bull that is on offer. This will be at the buyers' convenience and the sellers' expense.

ANNOUNCEMENTS:

All announcements from the auctioneer or seller will take precedence over the printed matter within this catalogue.

LIABILITY:

The owners, employees, their representatives and sale staff accept no liability for accidents that may occur and persons that attend do so at their own risk.

Lady Church 47H is one of the first progeny off of our new cow family and we couldn't be more impressed. If you like power, capacity, big rib, big muscle and shape, then I don't think you need to look any further. She is correct and moves very well. Lady Church comes with an exceptional set of numbers to back her up as well. The future of this female will be an exciting and rewarding one as I see her moving up the ranks to stardom. Her dam was purchased for \$21,000 out of the Churchill Sale and she is sired by Hutton 4030. Her Outcross dam is being flushed very successfully so watch for more exciting progeny in the future.

AI'd to NJW 202C 81E Steward 98G ET on April 26th, 2021. Pasture exposed to NJW 139C 181F Balance 207H. Preg check indicates safe to AI service.

Miss Starlet 106H is best described as beautiful and elegant in her design. She is so well defined, full of extension and dimension. She is clean made, angular and made just right. This heifer was a hard one to put in the sale, as she was Jessie's favorite bred in the offering. Starlet will be very competitive in the ring, but also make a tremendous breeding female. Her Umpire dam is the same type and might be one of Martin's best cows here in production.

Miss Ablaze 86J is a head turner, she will make you keep coming back to her. Take your time and study this girl. She has the look, extension and shape and puts it all together in a well balanced appealing package. She is one that will be competitive in the ring and a producer in your herd. Miss Ablaze is sired by none other than United 36G, who was 2020 CWA National Champion Bull, President Cup Champion and Top 10 finalist. United 36G then went on to sell for \$215,000 later that fall and then was supreme champion at the inaugural OKC show in the US. Her dam needs no introduction, being undefeated in 2016 as CWA National Champion, as well as Farm Fair, Olds Fall Classic and Bonanza Champion female. She then went on to win herefordbreeder.net North American and World Champion Female. Miss Ablaze 86J is royally bred and will mature into a dominant front pasture donor female that will change the direction of any program.

RSK 173D MISS ABLAZE ET 84J

Last year was a very successful ET season for us, so when deciding which heifer calves to include this year, we wanted to have some very special lots. Both of these two full sisters are sired by Endure 173D who is proving to be a prolific breeding tool the more he is used. Endure 173D sold for \$150,000 and brings a lot to the table, adding length, muscle pattern, structure and appeal. The mating to Ablaze just made sense to us, adding depth and substance to the mating. These two are the real deal and again will make very competitive heifers in the ring and very strong breeding females in the future.

HARVIE MS FIREFLY 65P

Miss Firefly 34H has some deep roots when it comes to pedigree. Study her lines and you will see females like Firefly 65P, Firefly 25Y and Velvet 719Z. Miss Firefly 34H is well made, with lots of extension and length. She is big hipped and bold sprung in a very desirable structural package.

AI'd to NJW 202C 81E Steward 98G ET on April 26th, 2021. Pasture exposed to NJW 139C 181F Balance 207H. Preg check indicates safe to pasture exposure (85 days on Aug 10, 2021).

Miss Xkeona 65H is as complete as they come. Moderate in size and stature, but extremely stout and square made. This Xkeona daughter has so much shape to her and is quite balanced and smooth made. She was a class winner at the MHA Field Day and turned a lot heads there. The Virtual Heifer Lottery Champion for Lucas Bieganski, was purchased out of last year's EG Sale. All stem from our original Xkeona 1A cow.

AI'd to NJW 202C 81E Steward 98G ET on April 26th, 2021. Pasture exposed to NJW 139C 181F Balance 207H. Preg check indicates safe to AI service.

Balance

HOMO POLLED

CAN/USA QUALIFIED

We have been on the hunt for a heifer bull that would give us the biggest punch in our operation. We feel that Balance 207H not only checks many boxes we wanted, but also gave us a very "Balanced" breeding tool. He is exceptionally balanced, loaded with muscle, wide topped, wide based, sound moving and clean made. His dam is a never miss producer and rising star in the NJW program! Balance has an actual BW of 86lbs, adj WW of 713lbs and adj YW of 1170lbs indexing an amazing 107 and 110 respectively. He boasted an exceptional 38 cm scrotal as a yearling and a very excellent set of EPD's. He is double bred Ribeye R117 and Homo-Polled, adding to the extraordinary breeding tool that he is. Balance 207H will be used in he RSK breeding program for years to come and we are very excited of what the years of breeding will leave us. We are offering 5 packs of 10 and 5 packs of 5, 75 doses in total for the 2022 breeding season! This will be the only semen on the market for 2022!

COMMAND

HOMO POLLED

CAN/USA QUALIFIED

Command" has been an eye catcher since the day he was born. The minute he arrived we knew this calf was special. He puts everything together so well, right from phenotype to genotype. Command possesses a massive hip, loin and testicles wrapped in a structural package that is hard to beat. His movement and fluidity are unmatched by many with everything planted on a big solid foot. Command completes the package with beautiful balance and appeal, great extension in his front with a skull and shoulder structure that makes me feel comfortable in using him on heifers.

Genetically, Command is jam packed with greatness. His sire-Endure is one of the most talked about Homozygous Polled performance bulls to surface in some time. He was the high selling bull at NJW for \$150,000 and semen has sold at auction for as high as \$750. His dam, Riesling was purchased out of the Mile High Sale from NextGen in 2016 by Harvie Ranching & Blair.Ag. She later went on to be named the 2016 CWA Champion Junior Female and CWA Reserve Champion Female! Her progeny has been topping sales and domination in the show ring!

Digby 20C was the 2017 CWA Champion Bull and Top 10 finalist, 2017 Herefordbreeder.net Champion of North America, 2017 Ag EX Champion, 2017 MOE Show Champion and 2017 Harding Supreme Champion. Direct son from one of the breeds most influential females. Very correct in his structure, with a big solid foot. He has a presence and stature that can't be copied. Long necked and long spined, he will add pounds and performance to progeny all while maintaining appeal.

Truman was purchased out of the Jensen Carload as a calf for \$25,000. I remember seeing a picture of him before the show on Facebook and was very impressed just from a picture. I had called Scott Harvie to take a look at him, since he was in Denver at the time for the show. I thought to myself, I'm probably not going to be able to afford him, but was worth finding out. Long story short, we ending up partnering with Harvie Ranching to own the bull. Truman has left some very exciting females in the herd, adding pounds and do-ability, with shape, muscle and stoutness. His daughters are milking wonderful and bringing so much to the herd.

JUNIOR INCENTIVE PROGRAM

« 4-H SHOWS »

CLASS WINNER \$100.00 OR GRAND OR RES CHAMPION \$250.00

« CJHA BONANZA »

CLASS WINNER \$250.00 DIVISION WINNER (CHAMPION OR RES) \$500.00
GRAND CHAMPION \$1000.00 Res Grand Champion \$750.00

Juniors have purchased the animal in the sale and must send backdrop picture and description of their win to qualify

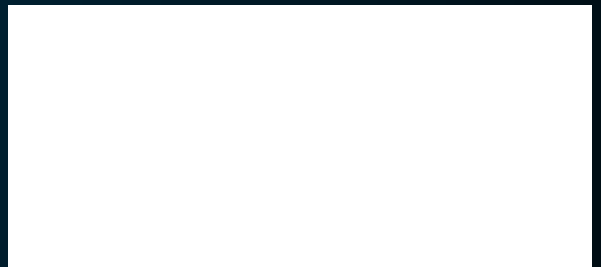

Congratulations
