

5th Annual

ELITE GENETICS

Online Production Sale

October 26 to October 29, 2017

LIVE CLOSE OUT: October 29, 2017 at 6:00 PM at the RSK Sale Barn, Douglas, Manitoba

hosted by RSK Farms and Arthur Polled Herefords

WELCOME TO THE 5TH ANNUAL ELITE GENETICS ONLINE PRODUCTION SALE.

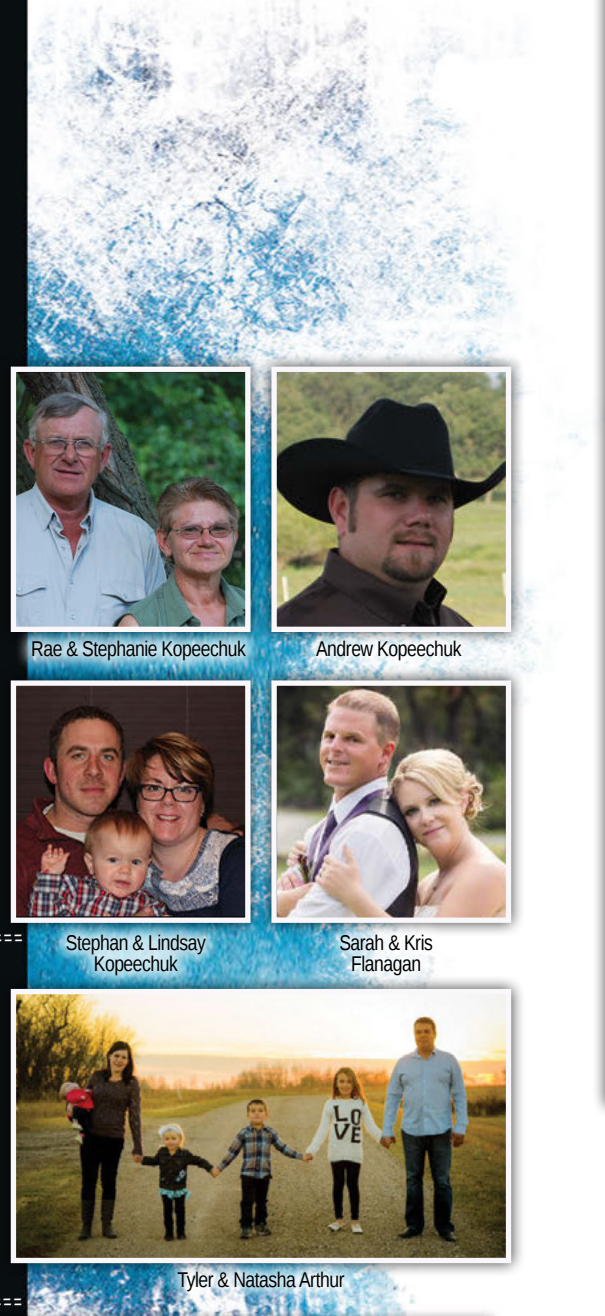

There are two themes that embody this year's sale. Firstly, "Quality over Quantity," the offering may be small in numbers, but the Quality is the best we have ever offered. We are transitioning to a bi-annual event, but wanted to offer a chance to acquire our best in 2017. Secondly, the value based around cow families is more evident than it has ever been! Our top and most productive cow families will have progeny in this year's sale. Familiar names like Sage, Tamara, Sparkles, Princess, Sunshine and Firefly will highlight this year's offering, in the form of live, embryo and semen lots. Just to add a little more excitement this year, all of the bred females will carry the service to three of the breeds most up and coming sires: R Leader 9646 and KJ BJ 719Z Truman 659D ET.

There is a very impressive embryo offering this year as well, again out of top donors from both programs and the breeds best AI sires, all EU qualified!

An exciting semen opportunity is featured as semen will be on offer on RSK 2046 Digby ET 20C! We are pleased to have Tyler and Natasha Arthur with us again this year from Arthur Polled Herefords, who have brought some very special lots.

We invite you to join us on www.liveauctions.tv as the sale will start on October 26th, or stop by the stall at Manitoba Ag Ex in Brandon for the start of the sale. The live close out will be held at the RSK Farms Sale Barn north of Douglas, MB on October 29th at 6:00 PM.

• A sale feature with powerful donor potential is exactly what this heifer calf is all about. When we had the opportunity to flush RSK Miss Sage 64Y to Full Bottle there was not a doubt in my mind about how good they would be. Full Bottle adds a new outcross to the great Sage cow family and complements Miss Sage 64Y very well. Full of body and power, great shape and strong structured, cherry colored and red eyed, are all embodied in this great heifer calf. The impact that the "Sage" cow family has had on our program and many others has been tremendous. Siblings can be found working for MHPH, LianMor and Hi-Cliffe. **MHA Field Day Reserve Champion Heifer Calf**

• I am excited about the future of this matron female in the making, another Sage 64Y daughter by the great BBSF Wrangler 29W sire. She's just flat out amazing! Just take your time and study this bred; phenotypically a power female with great depth, body and length, cherry red and great uddered. Check out the numbers too, and to top it of carrying the service to our new herd sire KJ BJ 719Z Truman 659D ET. This matting will be flat out amazing! As I stated before, the impact that the "Sage" cow family has had on our program and many others has been tremendous. Siblings can be found working for Morshogs Farm, Harvie Ranching, OVHF and Haileah Polled Herefords.

AI bred to KJ BJ 719Z Truman 659D ET on April 29, 2017. Pasture exposed to Blair's 208Z Titled ET 13C from May 2 to July 16, 2017.

• She's a Sparkles!!! If you can remember our first online sale, we had a Sparkles daughter as a feature. Since then we haven't offered many Sparkles daughters and have retained many in our herd. That maternal daughter was purchased by Harvie Ranching, that first year and has been doing a fantastic job for them. Sparkles 24D will be just as great as the first one offered. She's very feminine and stylish in her makeup, long and clean lined and sound. A Harlen daughter that has the service to none other than R Leader 9646, which will result in nothing more than greatness! **MHA Field Day Class Winner.**
AI bred to R Leader 9646 ET on April 29, 2017. Pasture exposed to Blair's 208Z Titlest ET 13C from May 2 to July 16, 2017.

HARVIE AD HARLEN ET 199B - SIRE

R LEADER 9646 - SERVICE SIRE

• Our sale offering this year is based around cow families and here's a chance to get your hands on a "Tamara" daughter. Her sire, Harvie AD Halen ET 199B has left us with exceptional daughters and 56D is a prime example. I love the sogginess and volume of this female, which is typical of the Tamara line. She has a very well balanced number set and also carries service to KJ BJ 719Z Truman 659D ET. Siblings are working for Six South Acres, Hialeah Polled Herefords, and Phantom Creek Polled Herefords! **MHA Field Day Champion Bred Heifer.**

AI bred to KJ BJ 719Z Truman 659D ET on April 29, 2017. Pasture exposed to Blair's 208Z Titlest ET 13C from May 2 to July 16, 2017.

• Miss Sunshine is a little different package than the other females in the sale. We have been really happy with the Freestyle daughters in production, so we wanted to include one in the offering. She's a moderate and stout bred female, in a great structured package, just what we were expecting from the Freestyle, Sunshine cross. She has the service to R Leader 9646 which just puts the maternal package over the top.

AI bred to R Leader 9646 on April 29, 2017. Pasture exposed to Blair's 208Z Titlest ET 13C from May 2 to July 16, 2017.

Ms Princess has been an eye catcher right from the beginning. Everyone always picked her out on the spring and summer tours this year as one of their favorites. The older this calf gets the more amazing she becomes. Titlest has done a fantastic job for us and being out a first calf Hometown heifer that was one of our high sellers in last year's sale, this calves is just excellent. She is super sweet made with tremendous depth and volume in a very attractive package. Goggled eyed and short marked too, just to add to the mix. Being an early march heifer calf will also make her very competitive in her age division for Bonanza next year! Owned with Faith Macdonald, Burlington, ON.

• RSK 4L Ms Princess 1Y has been a head turner for us right from the beginning. She is the definition of a production cow, consistently producing some of the best and heaviest calves in the fall, most going to be featured on our sales. Most notable is RSK 719T Ms Princess 6A, from our first online sale who produced RSK 10Y Miss Princess 31C, who sold for \$7000 in last year's sale. Also worth a mention is RSK 4Z Freestyle 74D, the youngest bull in the 2017 EGBs, who had one of the biggest scrotal measurements and indexed 118 and 106 on WW and YW, respectively! It was great decision to include this female in our donor program and we know these matings will be truly special.

• Here is the first opportunity to acquire embryos off of the 2016 Canadian Western Agribition Reserve Junior Female to none other the R Leader. She was also the high selling bred female in 2016 at the CWA sale for \$33,000.00 to Steven Knutson. The "Firefly" name is known world-wide as one of the leading families in the Hereford breed. She is super sweet through her front end and incredibly stout and powerful. This mating is stacked with greatness as these will be amazing progeny once they hit the ground. Owned by Steven Knutson, Wapella, SK.

• This Haroldsons 1Y donor is right at the top of our program. She consistently produces our top calves every year. She's big hipped, long sided, marked just right. She has everything we look for in our program. With the matings of Red Bull and Professor to this mamma, there is no risk only a unique opportunity to improve and add to your program.

Consigned by Arthur Polled Herefords

TERMS AND CONDITIONS

PAYMENT: Payment must be made following the sale by all buyers in attendance of the sale. An invoice will be mailed to all online purchasers following the sale. No animal shall leave the consignors until payment has been received. Any animal remaining at either ranch because of payment still owing after 30 days will be charged a fee of \$5.00/day.

INSURANCE: Each animal becomes the buyer's risk immediately after the animal is sold. All purchases must be insured with your chosen representative. (Stockman's Agencies—Lois McRae: 204-728-3058)

GUARANTEE: All animals are sound and right, and all with a responsible breeder guarantee of satisfaction. All animals are guaranteed by the seller to be DLF, IEF, HYF. All animals are sold under the terms and guarantees set forth by the Canadian Hereford Association. Examinations shall have been conducted prior to sale on all serviced females.

CERTIFICATE OF REGISTRATION: Each animal is registered through the Canadian Hereford Association. Each animal's registration will be supplied to the purchaser after payment has been made.

DELIVERY: The consignors will help each purchaser with arranging delivery on their purchase as soon as possible after the sale.

Exchange Rate: The US/Canadian Exchange Rate will be announced prior to the sale.

Delivery to USA: We are happy to assist with the paperwork and getting your purchases across the border. All US purchases will have a fee of \$350.00 added to the purchase price to cover the export costs.

SHOW RIGHTS: Sellers Retain Show Rights on any animal for Manitoba Ag Ex and Canadian Western Agribition 2017.

FLUSH & SEMEN RIGHTS: The consignors reserve the right to flush any female or draw semen from any bull that is on offer. This will be at the buyers' convenience and the sellers' expense.

ANNOUNCEMENTS: All announcements from the auctioneer or seller will take precedence over the printed matter within this catalogue.

LIABILITY: The owners, employees, their representatives and sale staff accept no liability for accidents that may occur and persons that attend do so at their own risk.

• Digby 20C is a direct son from one of the breed's most influential females, Firefly 51F. That name is well known in the Hereford breed. Adding Skymate to the mix provides a whole outcross package and breeding tool. Digby is long necked, long bodied and has been adding pounds and performance to progeny all while maintaining appeal. He is very correct in his structure, with a big solid foot. He is so fluid and free moving and has a presence and stature that can't be copied.

In the summer of 2017 he was named the MB Summer MOE Champion Bull and the Harding Supreme Champion Bull.

Selling 50 doses of US and Canadian qualified semen, in packages of 10 doses.
Owned with: Elkhe Herefords, Townsend, MT, USA
